

Circular Letter 2025/10 rev.1

24 June 2025

Subject: Second half 2025 committee dates

To: Members and Sister Organizations

Dear Members,

IALA looks forward to welcoming you for the upcoming committee season.

Further details on each committee's arrangements will be shared in due course. Some may begin with an online opening plenary ahead of the physical meetings, allowing more time for in-person work. Please note that all physical meetings will start on Monday morning.

Experience has shown that physical presence for the week long meeting is preferred, though online participation will be possible.

All closing plenaries will be held online, normally the week following the physical meeting, to ensure the quality of documents submitted to the Council.

The agreed dates for each committee are as follows:

Session	Deadline input paper	Physical week (Monday to Friday at IALA HQ unless otherwise stated)	Notes
VTS58	22 August 2025	22 – 26 September 2025	
DTEC5	1 September 2025	29 September – 3 October 2025	
ENG21	15 September 2025	13 – 17 October 2025	The ENG Committee will be hosted in Dublin, Ireland as it follows on from the Workshop on Sustainability in AtoN provision 6 – 10 October 2025.
ARM21	22 September 2025	20 – 24 October 2025	
LAP29	1 October 2025	29 – 30 October 2025	Two days only – Tuesday to Wednesday
