Nice, France

## 10 – TECHNICAL ACTIVITIES

### *10.1 – Committee work organisation*

#### 10.1.2 – Committee meeting and events plan

Note by the Secretariat

#### 1. SUMMARY

This document presents the planned schedule of committee meetings and events, providing a clear roadmap to guide activities across the organization. The attached annex contains a detailed timetable that has been developed to align with IALA's strategic objectives and to support the timely advancement of key initiatives within the committees.

Additionally, the VTS Committee has proposed the organization of a specialized seminar addressing the experiences and challenges encountered in daily VTS operations. The proposal for this seminar (document C02-10.1.2.1) is submitted for Council approval during the current session.

#### 2. ACTION REQUESTED

The Council is requested to:

- **Note** the information provided in this document, and
- **Approve** the seminar proposal (C02-10.1.2.1).
