## **10 – TECHNICAL ACTIVITIES**

### ***10.1 – Committee work organisation***

#### **10.1.2 – Committee meeting and events plan**

Note by the Secretariat

#### **1. SUMMARY**

This document presents the planned schedule of committee meetings and events, providing a clear roadmap to guide activities across the organization. The attached annex contains a detailed timetable that has been developed to align with IALA's strategic objectives and to support the timely advancement of key initiatives within the committees.

Additionally, the ARM Committee has proposed the organization of the 3<sup>rd</sup> IHO IALA joint workshop on S-100/200 validation and implementation. The proposal for this workshop (document C03-10.1.2.1) is submitted for Council approval during the current session.

The plan for IALA committee meetings and events in 2026 is attached as an annex to this document.

#### **2. THE COUNCIL IS REQUESTED TO**

**Note** the information provided in this document, and

**Approve** the workshop proposal (C03-10.1.2.1).
