## **10 – TECHNICAL ACTIVITIES**

### ***10.1 – Committee work organisation***

#### **10.1.2 – Committee meetings and events plan**

Note by the Secretariat

#### **1. SUMMARY**

This document presents the updated schedule of committee meetings and events, providing a roadmap to guide activities across the Organization. The attached annex contains the detailed timetable, developed to align with IALA's strategic objectives and to support the timely advancement of key initiatives within the Committees through 2026 and 2027.

The 3rd IHO–IALA Joint Workshop on S-100/200 validation and implementation, approved by Council at its 3rd Session, is confirmed for 1–4 September 2026 in Istanbul, Türkiye. At its 6th session, the DTEC Committee proposed the organisation of a Workshop on VHF Data Exchange System (VDES) Satellite (DTEC6-15.4.4); the workshop proposal (C04-10.1.2.2) is submitted for Council approval at the current session.

Proposals for hosting the 2027 cycle of committee meetings (ARM24, DTEC8, ENG24 and VTS61), submitted by Member States, are presented under agenda item 10.1.2.1 for Council approval. The plan for IALA committee meetings and events for 2026 and 2027 is attached as an annex to this document.
