

ACTION ITEMS FROM EEP21

35. The Chair/ Vice Chair are requested to review the action to finalise the historic lighthouse template and its application to commence populating an historic lighthouse database and add to the 2014-2018 Work Programme if required.

44. Bob McIntosh is requested to continue monitoring and submitting information for inclusion on the Heritage page of the IALA Website until EEP22.

45. Committee Members are requested to consider topics for future articles to be included in the IALA Bulletin within 'The Lighthouse Preservation Corner' and to provide these to Bob McIntosh.

46. Bob McIntosh is requested to meet editorial deadlines to ensure that articles are available for each edition of the IALA Bulletin wherever possible by passing suitable articles to the editor for inclusion in 'The Lighthouse Preservation Corner'.

47. Committee Members are requested to submit any information they or their authorities have on preserved lighthouse tenders and light vessels to Bob McIntosh or Paul Ridgway.

48. Bob McIntosh is requested to continue to monitor the list of people who indicated an interest in Heritage and Conservation of Historic Lighthouses, to ensure that they are updated on developments.

51. EEP Committee members are requested to provide information on building maintenance and conditioning in low energy environments within their authorities or to provide contact details for an individual who may be able to provide this information to Bob McIntosh.

52. Bob McIntosh is requested to continue to monitor the impact of Natural Disasters on Historic Lighthouses in particular and how authorities have reacted to the problems.

56. Adrian Wilkins, Bob McIntosh, Malcolm Nicholson are requested to review the IALA documentation that they are responsible for and update the work plan summary spread sheet (EEP21-14.2.13) with the documents that need to be reviewed and forward to the David Jeffkins by 19 October 2013.
