

LAP 11 ACTION ITEMS

Action item 1: The Secretariat to add a column to the input papers' list showing Agenda items.

Action item 2: ToRs for the PAF should be an Agenda item for future meetings.

Action item 3: Philippe Maurel to provide IALA with templates of social protection agreements.

Action item 4: The LAP to forward to Council an information paper on progress and road map for an international agreement.

Action item 5: Philippe Maurel to inform LAP about best practices.

Action item 6: The Secretariat to forward the amended Constitution to the 54th session of the IALA Council.

Action item 7: The Secretariat to work on procedures to have the Constitution approved and signed at General Assemblies.

Action item 8: The list of strategic items should be put on the Agenda for the next LAP meeting.

Action item 9: The Secretariat to arrange for a presentation to be made at LAP12 on the WWA, with special emphasis on the risk aspects.

Action item 10: Marie-Helene Grillet to develop an input paper to the Council and forward it to Council after it has been agreed by the LAP.

Action item 11: The Secretariat to invite the Council to add a new task on the e-NAV Committee Work Programme: the production of a paper on the reliability of AIS data by technical experts for use at courts. Such a paper would be an IALA document submitted to the Council for approval.

Action item 12: The Secretariat to forward the report of the IALA Workshop on global sharing of maritime data to LAP12 as an input paper

Action item 13: Stefan Jenner to prepare an input paper to LAP12 aiming at developing a legal base for harmonized AIS data protection.

Action item 14: The revised IALA Risk Register and a covering report should be forwarded to the Council for consideration (Jon Price).

Action item 15: The Secretariat to forward to the WWA the recommendation by the LAP to develop their own Risk Register.
