

Agenda item: 9.2 – Draft consultancy contracts

PROPOSALS FOR CONSULTANCY CONTRACTS FOR WWA EXPERTS

Background

The Legal Advisory Panel considered draft contract templates at previous meetings.

At implementation stage it was recognized that several templates were needed according to the circumstances, which can be the following:

1. The expert is seconded by his/her parent administration, which is funding the mission entirely. In such a case the expert's salary and expenses are paid by the parent organization.
2. The expert's salary is paid by the parent organization but travel expenses and per diems are paid by IALA.
3. The mission, including expert fees, per diem and travel expenses is entirely paid by IALA.

Action requested from the Panel

The LAP is requested to look into the options presented at input papers LAP15/9.2/2, LAP15/9.2/3, LAP19/9.2/4a and LAP15/9.2/4b respectively and advise on legal aspects impacting both IALA and the parent organizations.
