

# IALA ENAV17

26-30 October 2015

« Le Quartz » - Brest – France

## WHERE IS BREST?

Brest is located at approximately 600 km (by car) from Paris at the west end of Brittany on the Atlantic Ocean.

## HOW TO REACH BREST?

**By air** – Brest airport is Brest-Bretagne. There are direct flights from:

- Barcelona
- Birmingham
- London Gatwick
- Southampton

When coming from other destinations there are connecting flights at Paris Charles de Gaulle or Paris Orly. More information is available in English from [www.brest.aeroport.fr/en](http://www.brest.aeroport.fr/en).

**By train** – The high speed train TGV can reach Brest in 4 hours and 30 minutes from Paris-Montparnasse. There are no direct trains from abroad and some TGVs can take more than 4 hours and 30 minutes. More information is available from [www.voyages-sncf.com](http://www.voyages-sncf.com) (this Website gives information in several languages).

**By road** – All roads lead to Brest! However, have a look at <http://www.viamichelin.co.uk/>.
