### ABSTRACT / RESUME:

-----  
With the development of new technology and the expanding of city area,  
-----  
some of the traditional lighthouse could change their function to education basis  
-----  
for marine safety and AtoN history or Museum. However, there are some regulations  
-----  
-----

-----  
----- and rules should be followed. As well, the operation model for non-profit  
-----  
----- lighthouse is different from those seek for revenue.  
-----

-----  
----- Hereby, this paper would like to discuss the way for lighthouse as platform for  
-----  
----- education basis on case study method and analyse the advantage and limitation  
-----  
----- of the operation model.
