## **10 – TECHNICAL ACTIVITIES**

### ***10.2 – Committee work organisation***

#### **10.2.2 – Committee meeting and events plan in 2025 and 2026**

Note by the Secretariat

#### **1. SUMMARY**

This document outlines the planned meetings and events for the years 2025 and 2026, offering a detailed roadmap for committee meetings and activities. The attached annex provides a comprehensive schedule, which has been developed to ensure alignment with IALA's strategic goals and to facilitate progress on key initiatives across the organization.

The DTEC Committee has also proposed a specialized workshop focusing on the International Mobile Telecommunications (IMT) to Marine Aids to Navigation (TC03-10.6.4). This workshop aims to explore emerging IMT technologies, their adaptability to marine navigation aids, and address sector-specific challenges. The proposal for this workshop is subject to Council approval at the current session.
