

ANM/EEP/e-NAV/VTsXX Input paper

Agenda item ??

Task Number ??

Author(s) ??

Title of paper (Title)

1 SUMMARY (HEADING 1)

This template is meant to be used by Committee members who are creating input documents for a Committee meeting. The styles used are compatible with those used for IALA Recommendations / Guidelines / Liaison Notes. It can also be used to create a cover note for documents from non-IALA sources. (Body Text)

Give a brief description of the content and purpose of the paper. This template is intended for those input papers that are not draft Recommendations / Guidelines or Liaison Notes, for which other templates are available on the ftp server. (Body Text)

1.1 Action arising from the input of the document (Heading 2)

Any action expected to arise from the input of the document. (Body text)
