## **New Draft Recommendation on the Maritime Buoyage System**

### THE COUNCIL

RECALLING Article 8 of the [IALA] Constitution regarding the authority, duties and functions of the Council

RECALLING ALSO the “Agreement on the IALA Maritime Buoyage System”, signed in Paris on the 15<sup>th</sup> of April 1982 by accredited representatives of 53 nations or aids to navigation services to implement the IALA Maritime Buoyage System so initiating the harmonisation of maritime buoyage worldwide [and that accredited representatives of other nations or aids to navigation services subsequently acceded to this agreement]

RECALLING ALSO that the IALA Maritime Buoyage System described in the Agreement has been superseded by the current IALA Maritime Buoyage System with additional aids to navigation marks [and the System described in the Agreement is no longer valid] and

RECOGNISING that the current IALA Maritime Buoyage System has been adopted by almost all marine aids to navigation authorities worldwide

HAVING CONSIDERED the advice of the [Aids to Navigation Requirements and Management Committee] provided to Council at its 64th Session

ADOPTS the Recommendation IALA1010-R1001 The Maritime Buoyage System, as set out in the Appendix

REQUESTS the Aids to Navigation Requirements and Management Committee to keep the Recommendation under review and to propose amendments as necessary.

**ANNEX – Recommendation IALA1010-R1001 The Maritime Buoyage System**

THE IALA COUNCIL RECOMMENDS that National Members and other authorities providing aids to navigation services implement the IALA Maritime Buoyage System [as described in Guideline IALA1010-G1001].
