4	Require WG chairs to be physically present or to have an alternate physically present in order to make maximum use of time for those that are present. The WG chair saying that we had an opportunity to visit other WGs at the end of several days is disingenuous. One can not just appear at another WG and expect to usefully contribute at the end of a day without benefit of the prior discussions.	10/11/2022 1:31 PM
5	1: Enable all meetings rooms with a full IT system so that the rooms so that those physically attending do not have to use personal equipment to host teams meetings 2: The use of virtual meetings allow prospective attendees to attend other working groups and committees - physical attendance makes this difficult	10/11/2022 12:43 PM
