

Agenda item 9 – IALA TECHNICAL ACTIVITIES

9.5 VTS

9.5.2 Documents to note

9.5.2-4 Timetable for revision of V-128

Note by the Secretariat

1 SUMMARY

The current edition of V-128 is almost six years old and revision is needed because of a number of new developments. This document gives a timetable with actions and deadlines for the finalisation of the revision.

2 ACTION REQUESTED

The Council is requested to Note.

DRAFT
Proposed timetable for progressing
Revision of Recommendation V-128
on
Operational and Technical Performance
Requirements for VTS Equipment

| | |
|------------------|--|
| September 2013 | <p>Draft Revision of Recommendation V-128 circulated as a Working Paper to all members intersessionally.</p> <p>Administrations (Competent and VTS Authorities) engage their technical and operational personnel with regards to providing comments on the draft.</p> <p>Note that the committee members that expressed their concern about V-128 during VTS37 are explicitly encouraged to provide their comments.</p> |
| 29 November 2013 | Members to provide comments on the Draft (both from a technical and operational perspective) to the Chairs of WG2 (CC'ed to Chairs of WG 1 and 3). |
| 30 January 2014 | Chair of WG2 to collate comments and provide a summation for consideration / comment of the WG Chairs |
| 28 February 2014 | Chair of WG2 to circulate document summarising the comments received to all members. |
| March-May 2014 | <p>Intersessional Group to review/revise Draft Recommendation, noting the summary document circulated by the Chair of WG2</p> <p>Members of WGs 1 and 3 are encouraged to take part in this group in order to ensure that the raised concerns are addressed</p> |
| June 2014 | Revised document from Intersessional Group circulated to all members for their consideration within their administrations and provide comments to Chair WG2 by 31 July 2014. |
| September 2014 | <p>VTS Committee to consider revised Draft Recommendation within their administrations and provide comments to Chair WG2 two weeks prior to VTS38 at the latest.</p> <p>The Committee will consider the revised draft with a view to approving a final draft at VTS38 for council's consideration.</p> <p>Due to its size the draft V-128 will not be reviewed page by page at VTS38, only changes or comments marked as to be reviewed will be reviewed and discussed</p> |
