## Report of the 28<sup>th</sup> Session of the IALA Policy Advisory Panel (PAP28)

### 1 Opening of meeting

The 28<sup>th</sup> session of the **Policy Advisory Panel** was held between 1 and 3 October 2014, at IALA with Gary Prosser in the Chair. The Secretary for the meeting was Seamus Doyle.

The Chairman opened the meeting and welcomed all members and observers, with a special welcome to new members. He offered congratulations to the new Chairs of the ENAV and ENG Committees.

#### 1.1 Approval of the agenda

The Agenda (PAP28-1.1) was adopted. A copy of the agenda is at ANNEX A.

#### 1.2 Introductions and apologies

The meeting was attended by 15 members and observers. A summary of participants and apologies is at ANNEX B. A detailed list of participants is at ANNEX C.

### 2 Review of Action items from PAP26 and PAP27

#### 2.1 Actions from PAP26

Input paper PAP28-2.2 refers.

##### 2.1.1 Secretariat

The Secretariat actions were noted as complete, with the exception of:

Action 1      *The Secretariat is requested to consider methods for entering and updating IALA dictionary entries, noting the contents of paper PAP22.7.1 and the editing procedures on the IALA Wiki.*

Action 11      *The Secretariat is requested to prepare OCR versions of the non-English versions of the IALA Dictionary to facilitate preparation of non-English entries in the Dictionary.*

Action 21      *Nick Ward is requested to arrange maintenance of the DGNSS information on the IALA website in accordance with PAP26-8.4.1, with the assistance of Mr Cho.*

(This is current ongoing work and is likely to be completed early in 2015.)

Action 31      *Mike Card is requested to draw up formal agreements for organisations hosting IALA computer services, using DMA as an initial example. The task is on-going and the draft agreements will be finalised by the LAP.*

**Action 33** *The Secretariat is requested to post the Rules of Procedures documents from PAP19 on the Wiki, the Partage, and the website Committees area. This may include setting up a Procedures folder on the Partage.*

(The Secretariat advised that various policies and procedures are being updated and placed on the Intranet for Secretariat use. Certain of these will be placed on the website for access by members, but will not be placed on the Wiki.)

#### 2.1.2 WWA

**Action 36** *Jean-Charles Leclair is requested to review the curriculum of the World Maritime University for relevance to the work of IALA.*

#### 2.1.3 Members

The Members actions were noted as complete, with the exception of:

**Action 41** *The ENAV Committee is requested to provide leadership to enable Committee Chairs to incorporate a task for the development of relevant product specifications in the Committees work programme 2014-2018.*

**Action 44** *Committee Secretaries are requested to include a Committee Vice Chair Rapporteur item for IALA Bulletin liaison in the agendas of future Committee meetings.*

**Action 48** *Chair VTS Committee is requested to ensure that the VTS interface with other stakeholders for task 14 relating to S-100 is efficiently defined.*

## 2.2 Actions from PAP27

Input paper PAP28-2.3 refers.

#### 2.2.1 Secretariat

The Secretariat actions were noted as complete.

#### 2.2.2 Members

The Members actions were noted as complete with the exception of:

**Action 12** *Committee Chairs / Vice Chairs are requested to review existing documents with a view to re-organising them into a new pyramid structure of standard/recommendation/guideline if Council approval of the pyramid document structure as described in PAP28-14.2 is obtained.*

(It was agreed that this would be ongoing work in the 2014-2018 period, assuming approval by Council.)

## 3 Reports of other Bodies

### 3.1 Council Reports - 57<sup>th</sup> and 58<sup>th</sup> Sessions

Input papers PAP28-3.1.1 and PAP28-3.1.2 refers. Gary Prosser reported on technical activities issues arising from Council 57 and Council 58 held in A Coruna, Spain in May 2014. He noted that membership of IALA was increasing as was the awareness and influence of the WWA.

### 3.2 Report from IMO NCSR-1

Input paper PAP28-3.2 refers. Michael Card presented his report on the IMO NCSR1 meeting.

- He noted that Australia and others will submit a paper to MSC94 to encourage IMO to coordinate the implementation of the e-Navigation Strategic Implementation Plan (SIP).
- Tuncay Cehreli recalled the history of the IMO zero accident campaign and anticipated that the IMO/ IALA zero accident campaign will be launched in December 2014.
- IALA will participate in the Implementation of IMO Instruments (III) Sub Committee - formerly FSI.

- IMO Secretary General will not stand for re-election in 2016.

### **3.3 LAP Report**

Francis Zachariae reported on the LAP activities.

#### **3.3.1 Effect of changes to the IALA Constitution**

- The change of the number of Council seats enables a permanent seat on Council to the IALA host nation;
- The Change of State project will now proceed but without the tight schedule originally envisaged;

#### **3.3.2 Next steps towards IGO status**

- The General Assembly resolution provides a clear mandate for the Secretariat and Council to take the IGO project forward;
- There will be a Working Group under the Council to take the project forward.
- Canada is likely to re-join IALA;
- Membership growth is good, possibly driven by the IGO project;

#### **3.3.3 Other matters**

Francis Zachariae reported on the LAP13 meeting in September 2014.

- Advice was provided to PAP28 on the draft hierarchy of IALA documents;
- A LAP WG has been set up to consider the liaison paper from the e-NAV Committee regarding the reliability of AIS data for use in courts (e-NAV13/output/7) ;
- Legal issues associated with IALA-NET data sharing being considered;
- IALA risk register;

### **3.4 Report of WWA activities**

Input paper 3.4.1 refers. Jean-Charles Leclair made a presentation on the different activities conducted by the WWA since PAP 25.

- Recalled the role of the IALA WWA on training and capacity building and in particular on the fact that the Academy is there to relay the recommendations and guidelines established by the Committees and adopted by the Council;
- Recalled the organization and budget of The Academy, thanking all its generous sponsors;
- Described the Academy activity for 2013 and 2014 and what is planned for next year.
- Pointed out specifically the joint seminars organised together with IMO and IHO and partly sponsored by IMO as well as the involvement of IMO in the training activity.
- Mentioned the development of the courses for Aids to Navigation managers both by the Academy itself, but also by several national Authorities, already by France, and with good perspective for 2015 by China, Malaysia and Spain.
- The question of the development of courses for level 2 should be a priority for the next year.
- The biggest risk to the Academy is sponsorship;
- Efforts are being made to arrange regional training;
- Risk toolbox training should include PAWSA as well as IWRAP.

### **3.5 IMC Report – Conference, Officers, Future activities**

Lars Mansner reported on recent IMC activity. He referred to:

- The purpose of the IMC in which six Industrial Members are elected to the IMC to represent the 111 Industrial Members;
- The IMC has its own bylaws and constitution with seven objectives for the next work period;
- The annual IMC fee is €5,700;
- The IMC has three Regional Representatives;
- IMC committee information is being set up on the IALA website by Redwire. The web site will include a link to each Industrial Member's web site.

## **4 18th IALA Conference**

### **4.1 Conclusions – effect on proposed work items**

PAP28-4.1 refers. The 2014 Conference conclusions were reviewed and recommendations arising were agreed.

#### *Action*

*The Secretariat is requested to forward the 2014 IALA Conference Recommendations to Council for approval.*

### **4.2 Updating of internal guideline for Conferences and Symposia**

Updating of the Internal Guideline on Conferences and Symposia is in hand and the final version should be submitted to Council 59 for approval.

#### *Action*

*The Secretariat is requested to forward the Guidelines on Conferences and Symposia to PAP29.*

## **5 Policy advice formulation**

### **5.1 IALA Document policy and consideration by Council 59**

Input paper PAP28-5.1.1 refers. The New Document Policy, as prepared by the Secretariat, and with changes proposed by LAP13, was reviewed and amended.

#### *Actions*

*Michael Card is requested to rewrite Section 10.3 of the New Document Policy (PAP28-5.1.1) and to submit the New Document Policy (PAP28-4.2) to Council for approval.*

*The IALA Secretariat is requested to upload the definitions of IALA Product Documents from the New Document Policy to the IALA website and to the IALA Dictionary when the Policy is approved.*

### **5.2 e-Navigation work at IMO**

Omar Frits Eriksson reported on activities at IMO.

- While the IMO SIP has been delivered, there is a wish by some states and organisations for IMO to coordinate implementation.
- Test beds established around the world are testing the functionality of prototype e-navigation systems.

### **5.3 Arctic navigation**

Omar Frits Eriksson reported on Arctic navigation activities.

- The emerging importance of Arctic navigation;
- There is a opportunity to combine a number of Arctic webs in to a single maritime cloud;

#### **5.4 The Maritime Cloud and the EfficienSea2 project**

Input paper 5.4.1 refers. Omar Frits Eriksson reported on the Maritime Cloud and the EfficienSea 2 project.

- He noted the IMO e-Navigation wheel;
- He described the Maritime Cloud and its readiness to act as an open source information exchange framework for sustainable e-Nav services worldwide;
- He described applications of route data exchange;
- He noted the ability of VDES to standardise part of e-Nav communications;
- He described the EfficienSea project
- He described applications of automated reporting in the Arctic web and the embryonic e-Navigation service consisting of SAR services, ice charts and marine safety information service.

#### **5.5 Websites linked to IALA website**

Michael Card led a general discussion on websites linked to the IALA website.

- It was noted that e-Navigation.net is an IALA website hosted by DMA;
- The Academy allows use of the IALA logo for training certification in accordance with the WWA model courses;
- The value and need for careful branding of IALA.

Action

*The IALA Secretariat is requested to prepare an audit of hosted websites and linked websites.*

*The LAP is requested to advise the Secretariat on how to manage hosted IALA websites and non-IALA websites linked to IALA.*

*The LAP is requested to provide wording for an IALA disclaimer for links to other websites.*

*The Secretariat is requested to develop a policy on the use of the IALA logo and branding of IALA.*

## **6 Committee policy and procedures**

### **6.1 Advice to Committees on Strategic Vision and document policy**

Input papers PAP28-6.1.1 and PAP28-6.1.2 refer. Michael Card described the IALA Vision and Strategy.

The list of required document templates (Input paper PAP28-2.5) was review and amended.

Input paper PAP28-2.4 list of information for new IALA Council or Committee members was reviewed and amended. It was agreed to put this list on the IALA website with hyperlinks to the relevant documents.

#### **Actions**

*Committee Chairs are requested to ensure that their Committees are aware of the IALA strategy;*

*The Secretariat is requested to submit the IALA Rules of Procedures (C56-9.8.1-4) to the Committees for information;*

*The Secretariat is requested to post the list of information for new IALA Council or Committee members (PAP28-14.5) as a single page with introduction on the IALA website with hyperlinks to the relevant documents (see also Member actions). Refer also to the VTS ppt prepared by Tuncay Cehreli.*

*Michael Skov is requested to prioritise the list of information for new Committee members, referring to PAP28-14.4.*

## **6.2 Committee procedures**

### **6.2.1 Committees Agendas format and website**

Input paper PAP28-6.2.1 refers. The report on Committees agendas format and numbering was reviewed and agreed.

#### **Action**

*The Secretariat is requested to convert the report on Committees agendas format and numbering into an IALA procedure document on the Intranet.*

### **6.2.2 Committees Reports format**

Input paper PAP28-6.2.2 refers. The report on Committee report format was discussed. Concern was expressed that the proposed format did not allow for recording of views expressed in discussion which is an important part of Committee meetings, but it was agreed that these could be included in an annex if necessary. Trials of the proposed report format were agreed.

#### **Action**

*The Committee Secretary is requested to prepare the ENAV15 report in the old format with the executive summary adjusted to the needs of the Council and the work progress reporting in PAP28-6.2.2.*

*The Committee Secretary is requested to prepare the ENG1 report in the format of PAP28-6.2.2.*

Jean-Charles Leclair reported on the recent successful IWRAP2 training seminar, with an attendance of 18 people. Software developers attended to develop ideas for improvement of IWRAP.

## **10.2 IALA risk management tools**

Jean-Charles Leclair reported that the Steering Group had met once since the seminar in Istanbul.

- A very good presentation and demonstration of PAWSA was included in the seminar;
- IWRAP should be extended to include the consequences of predicted groundings and collisions;
- A proposal will be made to Council regarding promotion of the Risk Management Toolbox;
- Future seminars should provide time for both PAWSA and IWRAP, as these are complementary tools;
- The next Risk Management seminar is in September 2015 in SE Asia, possibly Malaysia.

Omar Frits Eriksson demonstrated the IALA Risk Management LinkedIn group.

# **11 HQ IT system**

## **11.1 IALA Information Technology Group**

Omar Frits Eriksson reported that the IALA IT Group had not met recently. However the IT system is working well. He thanked Trinity House for its assistance.

# **12 Any other business**

It was suggested that a description of the decision making process should be added to the Committee Terms of Reference and that procedures should be more visible.

# **13 Date and venue of the next meeting**

It was agreed that the next meeting of the IALA Policy Advisory Panel will be 15-17 June 2015.

## **14 Report of PAP28**

Seamus Doyle reported that the report of PAP28 will be finalised by 6<sup>th</sup> October 2014 and posted on the IALA web site.
