IALA Headquarters

11 – TECHNICAL ACTIVITIES

11.4 – ENAV

11.4.8 – ENAV documents submitted for record purposes

Note by the Secretariat

1. BACKGROUND

The ENAV Committee at its 19th session finalized a number of documents intended for ITU-R WP5B.

In order to meet the deadline for submission to ITU the Council was invited on 18 October 2016 to approve these documents by correspondence by 25 October 2016, with silence being taken as consent.

The draft submissions were accompanied by explanatory notes.

Five Councillors responded favourably. No proposals for changes, comments or oppositions were received.
