

IALA COUNCIL
63rd session

13-16 December 2016
IALA Headquarters

12 – IALA WORLD-WIDE ACADEMY

12.3 – Academy Risk Register

Note by the Secretariat

1. EXECUTIVE SUMMARY

This document provides Council with a briefing on the current Academy Risk Register, which was reviewed at LAP 17. A copy of the Register is at input paper C63-12.3.1.

2. BACKGROUND

Since its inception the IALA World-Wide Academy produces an Academy Risk Register that follows the same principles as the IALA Risk Register, which was developed and is reviewed, by LAP (see input paper C63-8.3.2).

3. PROCESS

The Academy Risk Register is produced by the WWA staff and reviewed by the WWA Advisory Board and then forwarded to LAP for comments.

After its review by LAP the Academy Risk Register as amended is returned to the WWA before its submission to the IALA Council for noting.

4. THE COUNCIL IS REQUESTED TO

Note the Academy Risk Register.
