**WORKING DOCUMENT TOWARDS A PRELIMINARY  
DRAFT NEW REPORT ITU-R M.[VDES-SAT]**

During its last E-NAV committee meeting, held 17-21 September 2017, IALA reviewed the working document towards a preliminary draft new report ITU-R M.[VDES-SAT] contained in document [5B/305](#) (Annex 24).

All the concerns raised during the last WP 5B meeting has been taken into account and carefully studied by IALA.

Accordingly, IALA proposes a few additions and modifications to the working document towards a PDN Report ITU-R M.[VDES-SAT], which are contained in the attachment.

**Actions requested**

IALA kindly asks ITU-R WP 5B to take into consideration these proposals in their further work on this Report. Furthermore, IALA proposes to upgrade the status of this report to PDN Report ITU-R M.[VDES-SAT].
