

IALA COUNCIL
80th session

24-28 June 2024
Istanbul, Türkiye

10 – TECHNICAL ACTIVITIES

10.7 – Documents

10.7.1 – IALA manuals

Note by the Secretariat

1. INTRODUCTION

As per the decision of the Council discussed during the 79th session (C79-10.7.1), the committees are authorized to revise the manual independently and report updates to the Council. Accordingly, the VTS Committee updates the VTS Manual every six months to ensure it remains current.

The attached manual is Edition 8.3, dated March 2024. Following Council, the VTS Manual will be updated to reflect the decisions made at the 80th session relevant to VTS and then published on the website.

2. THE COUNCIL IS REQUESTED TO

NOTE the updated VTS Manual, Ed 8.3 as C80-10.7.1.1.
