

**IALA AIDS TO NAVIGATION MANAGEMENT COMMITTEE (ANM)****MARINE SPATIAL PLANNING QUESTIONNAIRE**

In advance of a spatial planning workshop in May 2013 being held by ANM we would request that you answer a few simple questions. You can return the completed form by using the submit button or emailing to [chrism@nlb.org.uk](mailto:chrism@nlb.org.uk).

The aim of this is to understand the extent of planned and existing Offshore renewable energy in your authority's area and how the authorisation process has worked.

Name of Responder	
Authority	
Country	

Are there Offshore renewable energy installation (OREI) developments within your jurisdiction?	Yes	No
--	-----	----

Do you have any <b>Wave</b> energy sites in your area of jurisdiction?	Yes	No
--	-----	----

If <b>yes</b> , how many sites are there?	
• Are these sites small / isolated	
• Or are these sites extensive	

What is the total area of the <b>Wave</b> sites in your area of jurisdiction? (Nm <sup>2</sup> )	
--	--

Are these sites in proximity to Marine traffic	Yes	No
If <b>yes</b> is the traffic      Solas (>300gt)                      Non Solas                      Leisure		

Do you have any <b>Tidal</b> energy sites in your area of jurisdiction?	Yes	No
---	-----	----

If <b>yes</b> , how many sites are there?	
• Are these sites small / isolated	
• Or are these sites extensive	

What is the total area of <del>Tidal</del> <b>Tidal</b> sites in your area of jurisdiction? (Nm <sup>2</sup> )	
--	--

Are these sites in proximity to Marine traffic	Yes	No
If <b>yes</b> is the traffic      Solas (>300gt)                      Non Solas                      Leisure		

Do you have any <b>Wind</b> energy sites in your area of jurisdiction?	Yes	No
--	-----	----

If <b>yes</b> , how many sites are there?	
• Are these sites small / isolated	
• Or are these sites extensive	

What is the total area of the <b>Wind</b> sites in your area of jurisdiction? (Nm <sup>2</sup> )	
--	--

Are these sites in proximity to Marine traffic	Yes	No
If <b>yes</b> is the traffic      Solas (>300gt)                      Non Solas                      Leisure		

Are you the authorising body?	Yes	No
• If you are not the authorising body are you consulted by the authorising body?	Yes	No
○ Are you consulted as the development evolves?	Yes	No
○ Are you kept informed of final decisions ?	Yes	No
• Do you use Risk Assessment tools as part of the decision making process ?	Yes	No
If <b>yes</b> do you use		
○ Vessel Traffic analysis <i>or</i>		
○ IWRAP/PAWSA		
• Do you use GIS as part of your planning tools	Yes	No

What mitigation measures have been used? (select one or more)
• AtoN on the structures –
• Additional AtoN (Floating / Fixed) –
• Electronic AtoN –
• Routing measures –
• TSS –
• Recommended route-
• Additional VTS –
• Guard Vessels –
• Extension of Pilotage –

Overall Spatial Planning use			
• Is there an overall marine spatial plan for your area to cover socio/economic use of your area of jurisdiction?	Yes	No	
• Is one under development ?	Yes	No	
• Is one planned ?	Yes	No	
• Is there any national legislation requiring a spatial plan to be developed?	Yes	No	Don't know
• If you were not the authority completing the spatial plan were you consulted ?	Yes	No	
• Does the plan take into account all Marine traffic matters ?	Yes	No	

Once the OREI is in operation how do you confirm compliance?
• Inspection
• Reporting from operator
• Not at all
