This was the opportunity for the outgoing President to thank all past and present Councillors, the IALA members and IALA staff for their strong support over the past year, especially for the organisation of the last Conference in Spain. He added that he had made many friends since he started his involvement in the IALA work and this reflects the way IALA is working. He also thanked his predecessors in his mother organisation Puertos del Estado for their support and explained that, due his plans to retire in one year time and for continuity purposes, Puertos del Estado will be represented on the Council by Mr Manuel ARANA.

He then handed the chairmanship to the elected President, Ms KIM, who expressed her gratitude and honour for both her country and herself, ensuring the participants that she would continue to coordinate the work of the Council.

#### 4.2. Election of the IALA Vice President
